This program is for self- pay, non-insurance patients only. Payment by cash, check, or credit card. We charge a processing fee for any transaction other than cash, check or credit card. This is a non-refundable program unless cancelled for medical reasons other than diminished ovarian reserve.

In the case of severe diminished ovarian reserve, (a low number of developing follicles) the patient agrees to transfer the balance to another IVF cycle or ARMS fresh donor cycle or receive no refund. If patient cancels, there is no refund.

I agree to and accept the terms and payment requirements of the \$8900 IVF Special Plan.
